EDITOR'S NOTES:

Happy New Year! I hope your holidays were wonderful. I know from facebook quite a few of you were out riding on Christmas day. What amazing weather this year! And what a great way to celebrate! I can't help feeling like we are going to pay for it soon...but hopefully the winter won't be so bad - I'm keeping my fingers crossed! But as well all know... tempus fugit, or time flies and before we know it spring will be here and we will be riding all the time! So, winter well and recuperate from the holidays. I think I'm still in my sugar coma from all the cookies, fudge, cheesecake, pie. We have big plans this year, and of course it is a big anniversary this year for the freedom rally. We are looking for pictures from past years of the freedom rally. If you have some you want to share, please email them to one of the board members, or bring them to our chapter meeting. Also, strides are being made to promote the Creto's/Kade's Law proposal. Stay tuned for more information on the rallies and rides that will be happening this year! We are also throwing around ideas for event rides in 2016, a bigger venue for meetings, membership drives, and charity fund-raisers like Wounded Warrior, Honor Flight, St. Jude, etc. Some initial conversations started about possibly a drive for wreaths across America to fill Saratoga National Cemetery this year. What is near and dear to your heart? Come and have your voice heard, pitch-in and lend a hand and have a great time with like-minded brothers & sisters. Here's to an AMAZING 2016!
